Open by Appointment Only

We are committed to serve our customers safely, so the lobby will remain shut with no targeted open date. Unfortunately, an open lobby appears to be contradictive to keeping everyone COVID safe (everyone wearing masks) and providing adequate robbery protection (nobody wearing masks).

We are sensitive to your needs. Therefore, we will remain flexible to serve you in a variety of ways. We hope to serve you through the following methods:

We are committed to help our customers affected by COVID-19

Del Norte Bank is a mutual bank, owned by its depositors. Our focus is on the welfare of our members and the community. As such, we believe that during this pandemic we must extend a helping hand to our customers, employees, and community. We are offering payment relief, lowered fees and other support to affected customers and adjusting operations to help protect the health and safety of customers and employees.

Consumer and Mortgage Relief

Payment Deferrals:

We are offering to defer loan payments for 90 days for those individuals directly impacted by COVID-19. Request the deferral in writing via letter or email. Include:

- your name,
- physical address
- email address
- loan number
- describe how the crisis has impacted you and your household
- We will process most of these requests automatically

Contact:
719.657.3376

Postmaster@TrueLocalBank.com

A phone call is not necessary, we will contact you when the documentation is ready. We expect many requests, so please be patient.

NOTE: If you can continue making your monthly debt payments, you should do so, even if a deferral is available. A payment deferral can significantly increase the total amount of interest paid on your loan and will create a balance due at the end of your loan term.

Discounted Rates:

Del Norte Bank is offering new consumer installment loans with a discount to interest rates of 2% to qualified borrowers for a period of 6 months. The term of the loan is determined by the collateral. Rate will revert to the normal rate after six months for the remainder of the loan period.

Late Charges Waived:

Effective April 1st, 2020, we will temporarily waive new Late Charges on all consumer and mortgage loans.

Deposit service changes (effective for the duration of the crisis)

- Effective March 1st, 2020, we will temporarily waive overdraft/non-sufficient funds charges for any overdraft.
- Many other deposit service fees are temporarily waived or reduced. Call or email for details.
- Penalties on Certificate of Deposit withdrawals are temporarily waived on withdrawals of \$10,000 or less.

Commercial Payment Deferrals

We are offering to defer loan payments for 90 days to businesses directly impacted by COVID-19. Simply email or write to the bank discussing:

- Financial Hardship Experienced
- What is the business plan during this pandemic (*such as reducing capacity, transitioning to take-out only, temporary closure, off-site personnel, etc*).
- Additional relief programs may be available depending on circumstances and government support programs.
- All actions will be subject to approval.

Business Support Summary Matrix

We have created a matrix summarizing many of the programs available to aid in navigating the complex array of available support. It is available at TrueLocalBank.com and we will keep it up to date as information becomes available. If you have questions, please contact the lending team at 719.657.3376. (You may receive this email prior to the matrix being available on the website.)
